

# WBP Fiberglass EIFS & Stucco Mesh

## Safety Data Sheet

### SAFETY DATA SHEET

Complies with OSHA HCS 29 CFR 1910, 1200, including Appendix D, and a GHS for classification and labeling.

#### SECTION 1: IDENTIFICATION

Company: Sacramento Stucco Co.  
Address: 1550 Parkway Blvd. West Sacramento, CA 95691  
Emergency Phone Number: 800-424-9300  
Product ID: Fiberglass EIFS& Stucco Mesh  
Product Use: Embedded in wall coverings as reinforcement  
Effective Date: 07/2025  
Revision Number: Initial Issue

#### SECTION 2: HAZARD IDENTIFICATION (S)

Warning! *Irritating potential.*

<input type="checkbox"/>	HEALTH
<input type="checkbox"/>	FLAMMABILITY
<input type="checkbox"/>	REACTIVITY
<input type="checkbox"/>	PPE

Exposure pathways: Eyes, skin, intake, inhalation.  
Skin contact: Potential irritant of the skin.  
Skin absorption: No known hazards.  
Eyes: Harmful to the eyes.  
Inhalation: Inhalation of fiberglass powder may cause breathing irritation.  
Ingestion: Harmful if swallowed; ingestion may cause gastrointestinal irritation.

#### SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS

Chemical name	CAS No.	% by weight
Continuous fiberglass filament	65997-17-3	92
Styrene Butadiene Rubber Latex (SBR)	903-55-8	8
Inorganic pigments for color	Owner	< 0, 1

#### SECTION 4: FIRST AID MEASURES

Skin contact: Wash the affected area with a soapy or plain water and remove contaminated clothing. Seek medical attention if irritation persists.

Eye contact: Immediately rinse eyes with water for 15 minutes. Remove contact lenses if possible. Seek medical attention.

# WBP Fiberglass EIFS & Stucco Mesh

## Safety Data Sheet

Exposure to inhalation: Remove the victim from the contaminated area to fresh air.

Ingestion: Do not ingest.

Specific: Do NOT induce vomiting. Contact a doctor immediately. Dilute the stomach contents using multiple glasses of milk or water.

### SECTION 5: FIRE-FIGHTING MEASURES

Not flammable  
Flash point: N/A  
Flammable limits: N/A  
Self-ignition temperature: None  
Extinguishing media: N/A  
Special firefighting procedures: None  
Special firefighting equipment: None  
Unusual fire and explosion hazard: None  
Explosion data: Not an explosion danger.  
Hazardous decomposition products: None

### SECTION 6: ACCIDENTAL RELEASE MEASURES

Avoid the creation of fiberglass powder and AVOID the spread of fiberglass powder. Avoid contact with skin, eyes and clothing. In the presence of fiberglass powder, maintain adequate ventilation. If regular ventilation is not available, ensure the use of staff approved filter masks with dust/fog/smoke filter cartridges. Evacuate the area and keep unnecessary and unprotected personnel from entering the spill area. Avoid additional spills.

Environmental Cautions: Not applicable.

Methods for containment: Sweeping

### SECTION 7: HANDLING AND STORAGE

Cleaning methods: Provide adequate ventilation. Clean spills immediately by following precautions in the protective equipment section.

Storage Instructions: Keep container closed when not in use. Store indoors and under cover in a dry environment out of reach of children and animals.

Operating Instructions: Handle in accordance with standard industrial hygiene, handling of normal materials and safety practices. Wash hands after handling.

### SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION

Chemical Name	CAS No.	NIOSH and OSHA
Continuous filament fiberglass	65997-17-3	5 mg/M <sub>3</sub> * TWA PEL

\* Note-only as breathable powder.

Use appropriate engineering controls, such as providing adequate ventilation to maintain air levels below recommended exposure limits.

# WBP Fiberglass EIFS & Stucco Mesh

## Safety Data Sheet

Ventilation protection: Adequate ventilation.

Recommended respiratory protection: If ventilation is inadequate, use a mask with dust/fog/smoke cartridges.

Recommended skin protection: Rubber gloves.

The other protective equipment: Full gowns.

Recommended eye protection: Splash proof chemical goggles.

Personal hygiene: Wash thoroughly after handling the product.

### SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Woven fiberglass coupling fabric

Physical state: Solid

pH: N/A

Flash point: Non-flammable

Steam pressure: None

Vapour density: None

Evaporation rate: None

Volatility percentage by volume: Zero

VOC: zero

Sp. Gr. 2, 1

% Solubility (water): Not soluble

Smell: None

### SECTION 10: STABILITY AND REACTIVITY

Chemical stability: Stable under recommended handling and conditions of storage.

Hazardous polymerization: Hazardous polymerization does not occur.

Conditions to avoid: Extreme heat with direct flame.

Incompatible materials: None known.

Special decomposition products: Forced thermal decomposition can release irritating fumes and toxic gases.

### SECTION 11: TOXICOLOGICAL INFORMATION

The following data are obtained NIOSH Form (National Occupational Safety Institute and RTECS Health List Registration of Toxic Effects of Chemicals).

Fiberglass Dust Number RTECS: LK3651000

Exposure route: Inhalation

Symptoms: Irritation to the nose, throat, breathing difficulty.

Carcinogenicity: Fiberglass powder is listed by OSHA as a carcinogenic potential.

# WBP Fiberglass EIFS & Stucco Mesh

## Safety Data Sheet

### SECTION 12: ECOLOGICAL INFORMATION

Aquatic (fish) toxicity of the SBR polymer coating LL (50) (96 hr) is >100 mg/L. Cleaned and finished continuous filament fiberglass woven mesh with fiber diameter exceeding 3.5 microns is an inert solid.

The fiberglass fabric coupling component of the continuous filament constitutes a majority of the product and is not mobile in the soil. The polymer component is believed to be degradable long-term.

### SECTION 13: DISPOSAL CONSIDERATIONS

Arrange for disposal in accordance with federal, state, and local guidelines. Triple-rinse container prior to offering for recycle, reconditioning, or disposal.

### SECTION 14: TRANSPORT INFORMATION

DOT Shipping Name: Non-regulated.

DOT Hazard Class: Non-regulated.

IMDG UN Number: Non-regulated.

### SECTION 15: REGULATORY INFORMATION

SARA: This product does not contain chemicals which are subject to the filing requirements of the Superfund Amendments and the Reauthorization Act 1986 (SARA) Title III (40CFR, part 372).

RCRA: This product does not contain any chemicals subject to the information requirements of the 1976 Resource Conservation and Recovery Act.

CERCLA This product does not contain any chemicals that are in accordance with the 1980 disclosure requirement comprehensive action of environmental response, remuneration, and liability.

Canada WHMIS 2015 rating: Uncontrolled.

EU Class: irritating, in accordance with Regulation (EC) No 1272/2008 of the CLP on Article 16: other classification of information, labeling and packaging of substances and mixtures.

#### HMIS Legend

0 -Minimum risk

1 -Slight risk

2 -Moderate risk

3 -Serious danger

4 -Severe danger\*

-Chronic risk

X-consult your supervisor or S.O.P. for "special" operating instructions.

## Safety Data Sheet

### SECTION 10. OTHER INFORMATION, INCLUDING DATE OF PREPARATION OR LAST REVISION

Date of Preparation or Latest: 08/21/2025

Revision: Original issue

GHS Full Text Phrases: H351 – Suspected of causing cancer  
Carcinogenicity (Category 2)

H402 – Aquatic Acute 3

Short-term (acute) aquatic hazard (Category 3)
